ENOCK KIRUI

UI/UX DESIGNER

ABOUT ME

A highly motivated and detail-oriented Computer Science student with a strong foundation in software development, data structures, and network security. Passionate about leveraging technology to solve real-world problems and eager to gain hands-on experience in a dynamic environment. Skilled in programming languages such as Python, Java, and JavaScript, with experience in database management and cloud computing. Seeking an internship at Safaricom to apply technical knowledge, contribute to innovative projects, and enhance professional skills in a corporate setting.

EXPERIENCE

INTERNET TECHNOLOGY

- Provided technical support to system users, resolving ERP-related issues and optimizing workflows for efficiency.
- Collaborated with the IT team to enhance system security, ensuring compliance with financial data protection protocols.
- Gained hands-on experience in financial systems, data processing, and ERP troubleshooting, strengthening problem-solving and analytical skills.
- Developed strong teamwork and communication skills while interacting with finance and IT
